LCMP Appeal Committee

Terms of Reference

The LCMP Appeal Committee is established to handle appeals on the decision made by the Accreditation Committee, the verifiers and /or the WWF programme office in relation to the accreditation status of a participating company under the LCMP. The Appeal Committee will assess the appeal from applicant who is not satisfied with the decision on its label status. The Appeal Committee also handles appeal from applicant who is aggrieved by the decision of the WWF programme office / LCMP Secretariat to terminate its accreditation status or reject its re-application for accreditation. The decision of the Appeal Committee is final.
