WWF-Hong Kong One Planet Schools Programme (2021/22 School Year)

Aims / Objectives

The aims of the captioned Programme are to enhance primary and secondary students' knowledge and awareness of the natural environment, facilitate their understanding of the importance of environmental protection, and develop their generic skills as well as positive values and attitudes so as to enable them to become responsible citizens. The Programme can be incorporated into the curricula of different subjects and can support STEM education. Students' learning experiences can thus be broadened.

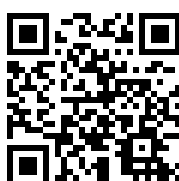

Details

2. WWF is one of the world's leading conservation organisations. The One Planet Schools Programme aims to help achieve the United Nations Sustainable Development Goals (SDGs) by instilling in students' lifelong values and attitudes in relation to “sustainability” and “sustainable lifestyles”.
